Date: 27th March 2026

Squirrels Heath Road Collisions Reduction Programme - Proposed safety improvements

We would like to hear your views on a proposed safety improvement scheme for your road.

It follows a feasibility study that was carried out and found that up to 1,200 vehicles per hour use Squirrels Heath Road with speeds of up to 45 mph regularly recorded. Further analysis of collision records showed that there has been a total of fourteen personal injury accidents (PIAs) recorded along Squirrels Heath Road between A127 Southend Arterial Road and Gubbins Lane. Of these fourteen PIAs, one was fatal, four were serious; three involved pedestrians, three occurred in wet conditions and four occurred during the hours of darkness.

With funding being provided by the Mayor of London's Transport for London office (TfL), we can now look at a proposed scheme including the following as shown on the attached plans:

- Speed cushions at regular intervals along Squirrels Heath Road to bring speeds down to an acceptable level.
- A new zebra crossing along Squirrels Heath Road by Douglas Avenue to assist pedestrians, particularly school children to cross the carriageway at this location.
- A new zebra crossing along Squirrels Heath Road between Cotswold Road and Recreation Avenue to assist pedestrians, particularly school children to cross the carriageway at this location.

Large scale plans can also be seen on the Council website -
<https://consultation.havering.gov.uk/>

Your comments on the proposals would be welcomed and should be sent in writing via email to schemes@havering.gov.uk to be received by **Friday 17th April 2026**.

Please note I am unable to answer individual points raised at this stage, however your comments will be noted and taken into consideration when presenting the final report to the Council's Director for Environment. Any issues will be addressed at that time.

All comments received are open to public inspection and the report will be made public.

If you need any more information, please contact me by e-mail, shown at the top of the letter.

Yours faithfully,

V. Siva

Siva Velup, Senior Engineer, Highways, Traffic and Parking.

LONDON BOROUGH OF HAVERING
ROAD TRAFFIC REGULATION ACT 1984 - SECTION 23

**ZEBRA CROSSINGS ON SQUIRRELS HEATH ROAD BY DOUGLAS AVENUE AND OUTSIDE
91 and 112 SQUIRRELS HEATH ROAD, HAROLD WOOD**

1. Notice is hereby given that the Council of the London Borough of Havering ("the Council"), under Section 23 of the Road Traffic Regulation Act 1984, proposes to install two new Zebra Crossings with zig-zag road markings as detailed in schedule 1 of this notice, to improve the safety of pedestrians.
2. Copies of the plans showing the locations of the proposed crossings together with the Council's statement of reasons for these proposed measures may be viewed from 27th March 2026 to 17th April 2026 on the Councils website on the following link at: <https://consultation.havering.gov.uk/>
3. Any person desiring to object to the proposals or make other representation should send a statement in writing and the grounds thereof to Group Manager, Highways, Traffic and Parking, Town Hall, Main Road, Romford, RM1 3BB, or by email at schemes@havering.gov.uk quoting reference QX016 to arrive by 17th April 2026.

Dated: 27th March 2026

Imran Kazalbash
Director of Environment,
Town Hall, Main Road,
Romford, RM1 3BD

SCHEDULE 1

Squirrels Heath Road West of Douglas Avenue, Harold Wood	Installation of a new zebra crossing and associated zig-zag markings will be placed either side of the crossing in Squirrels Heath Road west of Douglas Avenue, Harold Wood
Squirrels Heath Road outside nos. 99 and 112 Squirrels Heath Road, Harold Wood	Installation of a new zebra crossing and associated zig-zag markings will be placed either side of the crossing in Squirrels Heath Road outside nos. 91 and 112 Squirrels Heath Road, Harold Wood

**LONDON BOROUGH OF HAVERING
HIGHWAYS ACT 1980 - SECTION 90A**

SQUIRRELS HEATH ROAD – PROPOSED SPEED CONTROL HUMPS

Notice is hereby given that the Council of the London Borough of Havering, under statutory powers contained in the Highways Act 1980, have approved a proposal to construct the traffic calming feature specified in column 3 of the table in the Schedule to this Notice in the street specified in column 1 of that table and at the location specified in column 2 of that table.

The speed control humps will have a maximum height of 75mm, they will extend across the full width of the carriageway with gaps and will be constructed to comply with the Department for Transport specifications.

Documents giving more detailed particulars of the proposed speed cushions including drawings and maps can be viewed from 27th March 2026 to 17th April 2026 on the Councils website on the following link at <https://consultation.havering.gov.uk/>

Any person desiring to object to the proposals or make other representation should send a statement in writing of either their objection or representations and the grounds thereof to Group Manager, Highways, Traffic and Parking, Town Hall, Main Road, Romford, RM1 3BD or by email to schemes@havering.gov.uk quoting QX016 to arrive by 17th April 2026.

Dated: 27th March 2026
